

Welcome to K'Lou's. K'Lou's is a great place to make lifelong memories with your friends and family.

Be sure to check out Bass Lake just two miles from the house. Rent a speed boat or pontoon boat for a great time fishing or swimming in the warm waters during the summer.

Then have a burger, fries and a malt at Miller's Landing. Tell them Kevin and Louise sent you.

It is best to bring bottled water for drinking while at our house. The local well has been known to have issues as a result of the drought.

When you arrive, you should check to make sure the hot water heater, which is located in the back utility room, off the "blue" room, should be set to about 170 degrees.

Also, there is no smoking of any substance whatsoever in the house. Not cigarettes, cigars or any substances anywhere in the house. We can tell right away if this occurs and it will be cause for refusal of the return of your security deposit. Outside you can smoke as much and whatever you want.

Dogs are allowed but we do charge a fee and a security deposit. Please do not allow your pets on the furniture and please be a good pet owner and clean up after your pets poop. Any damages to any items chewed, scratched or torn up, damage to any of our furniture, especially our leather furniture, urine stains, rips in any fabrics, bedspreads, etc. will cancel your security deposit.

The wood burning stove in the living room will keep everyone nice and toasty and guests can use all the firewood they want located in front of the house. There is also plenty of fire-starter near the wood burning stove and more firewood in the side yard as well.

Guest are welcome to use the washer and dryer in the utility room and bring the BBQ grill onto the deck by moving it just outside the utility room onto the deck but please do NOT take it down the steps.

Guests should not leave anything in the refrigerator when departing and to haul out all of their garbage and recyclables to the bins in the driveway for a TUESDAY pickup.

Also, guests are required to please use the dishwasher for all their dirty dishes, dining utensils and glassware and to clean up their pots and pans best they can with the supplies we have under the sink.

Please feel free to call Kevin at 415-716-5542 or Louise at 415-686-1145 at any time before, during or after your stay at our home for more information at K'Lou's.

Thanks for staying at K'Lou's, I hope your memories are everlasting.
